

My Outdoor Space

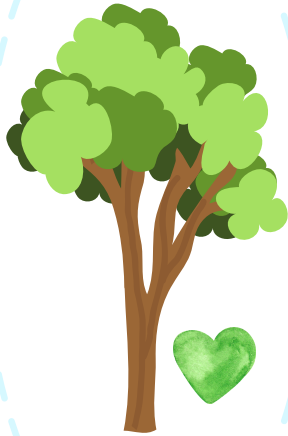

Use this space to create a map of an outdoor space that you know and love or the outdoor space of your dreams! Then, tag [@tinkergarten](#) and [#TGMoments](#) when you share your map so friends can see it, too!

My Outdoor Space

Where we enter and exit

A very special tree

Water source (river, stream, pond)

Tiny Friends

Feathered Friends

Mud making spot

Picnic or snack spot

Favorite spot to keep cool

Good spot to find nature treasures

Native People who live/lived on this land. Curious to include more native history in your adventures? Click [here](#).

If you like, you can cut out any of these images and paste them to your map to show some special features of your outdoor space. Or just enjoy moving them around on your map. Draw your own features, too!
