

Lesson 9: Dolphin Puppet Play

Puppet Directions: Print, color and cut out your dolphin! Tape it to a small stick or pencil to create a dolphin puppet that is ready for joyful play!

Pop up and sing the dolphin verse:

Dolphin, dolphin in the sea,
Swimming quickly, swim to me.
Dolphin, dolphin in the sea,
Come to Tinkergarten.

Move like a dolphin:

- **Dolphin breath:** Tilt your head up to the sky. Breathe in and out of your mouth like it is a blowhole.
- **Jump:** Jump and dive like a joyful dolphin.
- **Dolphin song:** Click and whistle like a dolphin. How many different sounds can you make with your mouth?
