

Lesson 8: Snowshoe Hair Puppet Play

Puppet Directions: Print, color and cut out your snowshoe hare! Tape it to a small stick or pencil to create a puppet that is ready for play!

Hop and sing the snowshoe hare verse:

Snowshoe hare, snowshoe hare, hop around,
Blend in with the winter ground.

Snowshoe hare, snowshoe hare, hop around,
Come to Tinkergarten.

Move like a snowshoe hare:

- **Jump:** How far can you jump? How high?
- **Camouflage:** Find something in your outdoor classroom that is the same color as your clothing. Can you blend in?
- **Snowshoe:** Pretend to take big steps through the deep snow with your giant feet.
