I wonder what we can **see**?

I wonder what we see today that surprises us. Pleases us. What is surprising or pleasing about the things we see today?

I wonder what we can **smell**?

I wonder if we could find something with a wonderful smell. Or, something with a yucky smell. I wonder why they smell that way...

I wonder what we can **hear**?

I wonder what sounds we can hear in our outdoor classroom. Where might they come from? I wonder what sounds we can make in our outdoor classroom.

I wonder what we can **feel**?

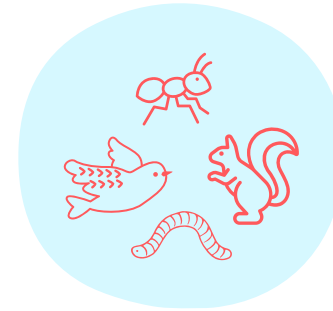

I wonder what objects feel really nice to touch in our outdoor classroom. I wonder what objects feel strange to touch. I wonder why.

I wonder who we share our outdoor classroom with?

I wonder who lives here? I wonder who is visiting here? I wonder what they are doing?

I wonder what someone left us to play with today??

Let's search our classroom for a special tool someone left for us to play with today!

I wonder how we can make these squiggles move today?

I wonder what these squiggles could become today?

I wonder how we can make our squiggles jump, dive, and twirl? I wonder how our squiggles could become snakes, rainbows, a rain storm or rocketships?
