

Bear Puppet Play

Puppet Directions: Print, cut and color your bear to use in your Bear Hike. Or print and offer one to each child to make their own puppet. Tape each to a small stick to create a bear puppet that is ready for play!

Sing and crawl to the Bear verse:

Bear, bear, take a whiff,
Oh, the smells that you can sniff!
Bear, bear, take a whiff,
Come to Tinkergarten!

Move like a Bear:

- Crawl or walk on all fours like a bear.
- Stand up on your hind legs and take a look and smell around.
- Smell the earth down on the ground. Then, stand up on hind legs and smell high up in the air. What smells can you find?
